New Jersey Association of Twins' Mothers Clubs, Inc.

Scholarship Application for Higher Education

2025

The New Jersey Association of Twins' Mothers Clubs, Inc. is a non-profit organization founded for educational, research and social purposes. The scholarship awards will be announced at the state convention in November. You need not be present to win. The scholarship may be applied for yearly, but as of the 2005 Awards, an applicant may only win once.

The Purpose of this Scholarship is to provide aid in the form of a grant to assist in the payment of scholastic or other expenses arising out of the pursuit of a post-secondary education: college, trade, or technical.

According to our By-Laws, **Article III, Eligibility** "Scholarship(s) shall be offered to member multiple birth children and/or their siblings. They shall also be offered to non-member multiples and/or their siblings whose secondary school of education falls within the area served by the local club hosting the annual convention of the NJATMC in that convention year. However, in any case where more than one club hosts the convention, the area served will be that surrounding the convention site."

Eight to ten non-member judges will be used to review all applications. They will use a seven point scale to rate applicants in three areas: Academic Accomplishments, Character, and Financial Need. The judges will use the information from the following categories to make the assessments: academic accomplishments, extracurricular activities, financial need, extenuating circumstances, essay and references. The number and dollar amount of the scholarships to be awarded by the committee is determined by using the results of the judges and dependent on the amount of available funds from donations to the New Jersey Association of Twins' Mothers Clubs Scholarship Fund which vary from year to year.

If you received this application because you are a NJATMC member, **please note**: Your local club **must be a dues paying club** of NJATMC with dues paid in full by February 1st of this year to be eligible for this scholarship. If you are unsure, please check with the executive board of your local club before your child completes the application.
